

## News from Skandiabanken Open Banking

### 2025-05-26 – AIS Decoupled flows

Information for Users of Skandiabanken Open Banking APIs.

We're excited to announce that AIS decoupled has been deployed in production!

For more details about the new AIS Decoupled flows, please refer to Section 9: *Decoupled SCA approach for AIS access* in our [technical specification](#).

To gain access to AIS decoupled, please subscribe to the new API, *Skandia Open Banking OAuth API*, via the Skandia Developer Portal.

If you have any questions or feedback regarding AIS Decoupled or the subscription process, feel free to contact us at [openbanking@skandia.se](mailto:openbanking@skandia.se)

Best Regards

Skandiabanken Team Open Banking
