under the
Global Programme for the Continuous Issuance of Medium Term Notes,

PART A – CONTRACTUAL TERMS

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the “**Conditions**”) set forth in the Information Memorandum dated 20th June, 2011 and the Supplements dated 20th July, 2011, 8 November 2011, 16 February 2012 and 2 May 2012, which constitute a base prospectus for the purposes of the Prospectus Directive (Directive 2003/71/EC) (the “**Prospectus Directive**”). This document constitutes the Final Terms of the securities described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Information Memorandum as so supplemented. Full information on the Bank and the offer of the securities is only available on the basis of the combination of these Final Terms and the Information Memorandum as so supplemented. THESE NOTES ARE NOT PRINCIPAL PROTECTED. EACH HOLDER SHOULD UNDERSTAND THAT IF A CREDIT EVENT (AS DEFINED IN SCHEDULE 1) WITH RESPECT TO A REFERENCE ENTITY (AS DEFINED IN SCHEDULE 2) OCCURS, A HOLDER MAY NOT RECEIVE REPAYMENT OF ITS INITIAL INVESTMENT IN FULL NOR MAY IT RECEIVE AN AMOUNT EQUAL TO ITS INITIAL INVESTMENT IN THE EVENT OF AN EARLY REDEMPTION PURSUANT TO CONDITION 5.02 OR CONDITION 6. IN CERTAIN CIRCUMSTANCES, A HOLDER MAY SUSTAIN A TOTAL LOSS OF ITS INITIAL INVESTMENT.

The purchase of Notes involves substantial risks and is suitable only for investors who have the knowledge and experience in financial and business matters necessary to enable them to evaluate the risks and the merits of an investment in the Notes. Before making an investment decision, prospective purchasers of Notes should ensure that they understand the nature of the Notes and the extent of their exposure to risks and that they consider carefully, in the light of their own financial circumstances, financial condition and investment objectives, all the information set forth in the Information Memorandum and these Final Terms.

The Notes are credit-linked Notes linked to the performance of each Reference Entity and Obligations of each Reference Entity and investors should note that the Notes differ from ordinary debt securities issued by the Issuer under the Programme in that the amount payable by the Issuer is dependent on whether a Credit Event in respect of a Reference Entity has occurred. In certain circumstances the Notes will cease to pay Interest and the amount paid to Holders on redemption may be less than their original investment and may in certain circumstances be zero.

By investing in the Notes each investor represents that:

- (a) *Non-Reliance. It is acting for its own account, and it has made its own independent decision to invest in the Notes and as to whether the investment in the Notes is appropriate or proper for it based upon its own judgement and upon advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the Issuer or the Dealer*

as investment advice or as a recommendation to invest in the Notes, it being understood that information and explanations related to the terms and conditions of the Notes shall not be considered to be investment advice or a recommendation to invest in the Notes. No communication (written or oral) received from the Issuer or the Dealer shall be deemed to be an assurance or guarantee as to the expected results of the investment in the Notes.

- (b) *Assessment and Understanding.* It is capable of assessing the merits of and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms and conditions and the risks of the investment in the Notes. It is also capable of assuming, and assumes, the risks of the investment in the Notes.
- (c) *Status of Parties.* Neither the Issuer nor the Dealer is acting as a fiduciary for or adviser to it in respect of the investment in the Notes.

In addition, by investing in the Notes each investor represents that it understands, agrees and acknowledges that:

- (i) an investment in the Notes may result in a complete or partial loss of principal and/or interest payable under the Notes by virtue of the terms of the Notes;
- (ii) the market for the Notes may be limited and this may adversely impact on the value of the Notes and/or the ability of the investor to dispose of them and neither the Issuer nor the Dealer is under any obligation, or makes any commitment, to make a market in or repurchase the Notes; and
- (iii) neither the Issuer nor the Dealer has given the investor (either directly or indirectly) any assurance or guarantee as to the merits or performance of the Notes.

Qualifying Guarantees shall exclude any arrangement structured (i) as a surety bond, financial guarantee insurance policy, letter of credit or equivalent legal arrangement or (ii) pursuant to the terms of which the payment obligations of the Reference Entity can be discharged, reduced, assigned or otherwise altered as a result of the occurrence or non-occurrence of an event or circumstance (other than payment). The Calculation Agent will determine the entity which succeeds to such Relevant Obligations on the basis of the Best Available Information. If the date on which the Best Available Information becomes available or is filed precedes the legally effective date of the relevant Succession Event, any assumptions as to the allocation of obligations between or among entities contained in the Best Available Information will be deemed to have been fulfilled as of the legally effective date of the Succession Event, whether or not this is in fact the case.

- (i) a reduction in the rate or amount of interest payable or the amount of scheduled interest accruals;
- (ii) a reduction in the amount of principal or premium payable at maturity or at scheduled redemption dates;
- (iii) a postponement or other deferral of a date or dates for either (i) the payment or accrual of interest or (ii) the payment of principal or premium;
- (iv) a change in the ranking in priority of payment of any Obligation, causing the Subordination of such Obligation to any other Obligation; or
- (v) any change in the currency or composition of any payment of interest or principal to any currency which is not a Permitted Currency.

Notwithstanding the above provisions, none of the following shall constitute a Restructuring:

For purposes of the definition of Restructuring, the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of any Qualifying Guarantee. In the case of a Qualifying Guarantee and an Underlying Obligation, references to the Reference Entity in the initial paragraph and sub-paragraphs (i) to (v) of the definition of Restructuring shall be deemed to refer to the Underlying Obligor and the reference to the Reference Entity in the second paragraph of this definition of Restructuring shall continue to refer to the Reference Entity.

Notwithstanding anything to the contrary in the definition of Restructuring, the occurrence of, agreement to, or announcement of, any of the events described in sub-paragraphs (i) to (v) of the definition of “Restructuring” shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation. **Multiple Holder Obligation** means an Obligation that (i) at the time of the event which constitutes a Restructuring Credit Event is held by more than three holders that are not Affiliates of each other and (ii) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event.

Succession Event means an event such as a merger, de-merger, consolidation, amalgamation, transfer of assets or liabilities, spin off or other similar event in which one entity succeeds to the obligations of another entity, whether by operation of law or pursuant to any agreement. Notwithstanding the foregoing, "Succession Event" shall not include an event in which the holders of obligations of the Reference Entity exchange such obligations for the obligations of another entity, unless such exchange occurs in connection with a merger, demerger, consolidation, amalgamation, transfer of assets or liabilities, spin-off or other similar event.

Successor means in relation to a Reference Entity, the entity or entities, if any, determined as set forth below:

- (a) if one entity directly or indirectly succeeds to seventy-five per cent. or more of the Relevant Obligations of the Reference Entity by way of a Succession Event, that entity will be the sole Successor;
- (b) if only one entity directly or indirectly succeeds to more than twenty-five per cent. (but less than seventy-five per cent.) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than twenty-five per cent. of the Relevant Obligations will be the sole Successor;
- (c) if more than one entity each directly or indirectly succeed to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than twenty-five per cent. of the Relevant Obligations will each be a Successor and the Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
- (d) if one or more entities each directly or indirectly succeed to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
- (e) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no

Successor and the Reference Entity will not be changed in any way as a result of the Succession Event; and

- (f) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor.

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under (f) above, as applicable. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (f) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information and shall, as soon as practicable after such calculation, make such calculation available for inspection by Holder(s) at the specified office of the Fiscal Agent.

Where pursuant to paragraph (c) or (d) above, more than one Successor has been identified, the Calculation Agent shall adjust such of the Terms and Conditions and/or these Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of the Terms and Conditions and/or these Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Notes under the provisions of the 2003 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Holders in accordance with Condition 13, stating the adjustment to the Terms and Conditions and/or these Final Terms and giving brief details of the relevant Succession Event.

For the purposes of this definition of "Successor", **succeed** means, with respect to a Reference Entity and its Relevant Obligations (or, as applicable, Obligations), that a party other than such Reference Entity (i) assumes or becomes liable for such Relevant Obligations (or, as applicable, Obligations) whether by operation of law or pursuant to any agreement or (ii) issues Bonds that are exchanged for Relevant Obligations (or, as applicable, Obligations), and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Relevant Obligations (or, as applicable, Obligations). The determinations required pursuant to paragraph (a) of this definition of **Successor** shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the Outstanding Principal Balance of Bonds for which Relevant Obligations have been exchanged.
